Seems like celebrity and porn go well together, especially if you're interested in running for president. Yes, that's our Mary; baring it all for the unadulterated arena of politics. While she didn't win, this time, she made an even bigger name for herself and won over many more fans. One of our staff even had the balls to vote for her.

SOMETHING SWEET

I had taken the pan to work and tried to duplicate Sonia's pound cake.

"Too bad I can't bake you my famous pound cake," Sonia said, her words dripping with accusation.

Sonia, one hell of a good baker, always whipped up something sweet for my birthday: caramel cake, fudge brownies, pecan pie, she could do it all. Her mother was a fantastic baker who had imparted her talents to her daughter. Sonia's pound cake was my all-time favorite. Just thinking about it made my mouth water.

Sitting across from her at the breakfast table, I threw up my hands in surrender. "Guilty as charged."

Sonia took a hit of coffee, peering at me over the rim of her mug. That penetrating stare of hers said it all. She was still miffed about the cake pan.

"Why don't you just buy a new one?" I asked her.

She lowered the mug. "It's irreplaceable."

"Surely you could find a comparable."

"It wouldn't be the same, Ray. They don't make stuff like they used to. That old Bundt pan had been in my family for generations. It was truly one of a kind."

"So you've told me," I said. "At least a hundred times."

I had screwed up royally, and my wife wasn't about to let me forget about it.

Mine was an honest mistake, leaving her mother's cake pan at the bakery where I had worked last summer. Wanting to impress my boss, I had taken the pan to work and tried to duplicate Sonia's pound cake. The result was a dry, inedible disaster. It wasn't too long after this that I quit the job. Unfortunately I had forgotten to grab my wife's pan before leaving.

Now Sonia said, "You could always go back and get it."

"You know I can't do that, not after quitting the way I did."

"So you walked out in the middle of your shift? Big deal. Lots of people do that."

I nursed my coffee in silence, hoping against hope that she would drop the subject. I was touchy about the whole ordeal. It hadn't been one of my finer moments. Quitting the job without notice was bad enough; I had to go and make things worse by forgetting my wife's beloved Bundt pan.

"There's nothing to be ashamed of," Sonia pressed. "Just waltz on in there and take what's rightfully

yours. Your old boss will probably be glad to see you."

"I doubt that."

She got up from the table and took her mug to the sink. Sonia had yet to get dressed for work. A T-shirt extended just below her stellar ass. I spied dark blue panties through the sheer white material. Her legs were nicely toned from regular sessions at the gym. I was one lucky guy.

It was time to unwrap my birthday present. Sonia always gave me some morning/pre-work nooky on my special day. I got up from the table and moved behind her. No sooner had I wrapped my arms around her and kissed her neck than she shook her head and pushed me away.

"What's wrong, babe?" I asked.

"I'm not in the mood," she said.

"Today's going to be a really busy day. I'd better get to the office early."

"But it's my birthday."

"Sorry."

"It's the cake pan, isn't it?"

She said, "I don't understand why you won't just go back there and get it. It may seem silly to you, trite even, but that pan is important to me. It's a family heirloom."

"Okay, okay, I'll get the damned cake pan."

"How bad do you want it?" she asked me.

"When?"

"Today," I said, "on my lunch break."

Sonia smiled. "You promise?"

"I promise."

"I'll start baking as soon as I get home from work."

"That sounds nice."

And it did, make no mistake. But I still craved her hot body. This would be my first birthday since Sonia and I had tied the knot that we hadn't engaged in morning sex.

All because of a lousy cake pan!

True to my word, I drove to the bakery on my lunch break. The wonderfully familiar aroma greeted me as I opened the front door. My ex-boss, Greta, manned the counter. She wore a white apron and a red baseball cap. The cap had been flipped around, rally style.

was talking about. She beckoned me behind the counter. I followed her through a curtain and into the kitchen. The place was just as I remembered it.

Greta plucked Sonia's cake pan from a metal shelf. "Here it is."

"Thanks, Greta. And I'm sorry about walking out on you."

"No problem, Ray. I forgive you."

She extended the cake pan. I reached for it. She pulled it out of my grasp. A taunting smile creased her features.

"How bad do you want it?" she asked me.

I thought she was just horsing around. But she was serious. Greta had no intention of relinquishing the pan. At least not without getting something in return.

And that "something" turned out

in my boxers, Greta's eyes widened as she removed her apron. She wore denim overalls underneath; this and an old fashioned ribbed wife beater. It wasn't long before these articles joined mine on the concrete floor.

Stroking my cock, I leaned against a work table and admired her fine flesh. Down to nothing but her rally cap and a pair of white lace panties, her massive tits on full display, Greta crouched and commenced to giving me head.

I sighed delightedly as she licked my shaft. Hers was a talented tongue, you bet, and she was in fine form. She polished my pole from balls to flared cap, nice and slow, priming me with considerable skill. I couldn't wait for her to devour me in earnest.

But Greta made me wait. For now she was more interested in my nuts, which she commenced to sucking while tugging my prick with her hand.

I thought about the many hours I had spent working alongside her. Of course I had always found her attractive. And, yes, I had fantasized about fucking her. But the prospect had never seemed plausible. After all, I was happily married, and Greta had always conducted herself in a purely professional manner.

Until now, that is...

She finally took me in her mouth. Holding my cock by its base, she serviced me with a frenzied whipping of her head. Blond locks fanned wildly beneath her cap as she pumped and pumped some more, slobbering all over my stiff schlong.

I placed my hands atop her head and thrust my hips, meeting her greedy mouth, fucking her beautiful

"Well," Greta said with a smile, "look what the cat dragged in."

"Hey, Greta."

"I hope you're not looking to get rehired."

"I'm not."

"Good. Your replacement is working out nicely. In fact, he can bake circles around you."

I told her about the cake pan. Her face lit up. She knew exactly what I

to be my cock!

Having locked the front door and dimmed the storefront lights, Greta returned to the kitchen to find me stepping out of my trousers. She hadn't had to twist my arm. My ex-boss was a blonde MILF with big tits. And seeing as how Sonia had failed to take care of me this morning—well, I was nothing if not horny . . .

Regarding the considerable bulge

face good and proper. This turned Greta on something fierce. She shoved her free hand between her legs and played with her kitty.

I wanted to fuck her, sure, but my skewed logic wouldn't let me. Understand, I had never cheated on Sonia. Oral sex wasn't cheating. At least not in my book. I could live with myself; just so long as Greta and I went no further.

Of course she had other ideas.

My ex-boss, wiping her mouth with the back of her hand, rose from her crouch. She walked to the far corner where she stored the big sacks of flour. I knew what she was thinking, knew exactly what was inside that dirty little mind of hers. Those cushy sacks made for the perfect spot, far preferable to the worktable which was too high and hard.

I didn't want to cheat on Sonia.

Really, I didn't.

But my wife wanted her cake pan. And Greta wasn't going to give it back until she was satisfied. Standing there beside the worktable, my cock losing none of its rigidity, I watched my ex-boss as she lay on the sacks with her sturdy legs spread wide. Spreading her twat with both hands, she peered at me and licked her lips lewdly.

"Come on, Ray. I know you want it."

I didn't tarry, not one damn bit.

Greta's gaping pink gash rendered me powerless. Remaining faithful to Sonia was no longer in the picture. Hell, my indiscretion was her fault anyway. She was the one who had insisted that I come to the bakery, the one who just had to have her precious cake pan.

My heart hammering with excitement, I stood over Greta's supine

form and jerked my cock slowly.

"That's it, Ray. Stroke it for me, baby."

Greta squeezed and kneaded her sizable tits; they were so big she had no trouble licking her nipples, lavishing each turgid bud with her swirling tongue. Pulse pounding, I plunged my cock inside her, marveling at the tightness of her cunt.

I pumped and humped.

In... Out... In... Out...

I upped the pace gradually. I didn't want to blow my wad too soon. Greta moved with me, her hips cradling my every move. She was so soft, so tight, so hot and wet. I banged her harder and faster, working up to a fierce pounding motion. Her spectacular tits bounced with each of my thrusts, mesmerizing me as I reached the climax of our coupling.

It was never in doubt, the way this thing would conclude. Greta's tits spoke to me, all but demanding that I coat them with cum. So that's

pier; her face lit up when she saw the Bundt pan on the kitchen counter. I told her everything had gone smoothly at the bakery.

"My ex-boss wasn't even mad," I said. "If anything she was happy to see me."

"Told you so," Sonia said.

She changed out of her office attire, donned her favorite apron, and started baking. It wasn't long before the cake went into the oven.

"Thank you so much, sweetie," Sonia said.

"I'm the one who should be thanking you, babe. You must be tired. I know you had a long day at work. A store bought cake would have been just fine."

"Nonsense." She cringed. "Not on your birthday."

The cake was a winner, moist and flavorful. I had two big slices after a dinner of takeout Italian. But that wasn't the highlight of my birthday; nor was getting it on with Greta.

what I did, you bet. I pulled out and tugged myself to completion, spattering those king-sized cans with a big sticky load.

"The cake pan is yours," Greta said after she had recovered.

I got dressed and got the hell out of there.

Sonia couldn't have been hap-

py. Those things paled in comparison to what Sonia had in store for me later that night.

"I'm glad you liked my pound cake, honey," she said after getting out of the shower, "but now it's time for you to pound my tight little asshole."

"Sweet!"

JENNIFER

The photographer had a nice studio and showed me some of her work. She made me a cup of coffee and we sat and talked for about an hour. I left saying I'd get back in touch with her. I went back the very next day and said I was ready to shoot some nude photography with her. And I did. I loved the photos and here they are.

HOT LIPS HONEY

The first night I set eyes on Linda, what I noticed most were her lips. Now that's as rare as balls on a cow for me. I mean, my usual chick check scans pussy first, tits second, ass and legs tied for third, with everything else finishing out of the money unless it's incredibly awesome.

But awesome has got to be the word for Linda's lips. I've never seen another pair like them—cherry-red and pouty, always moist and half-puckered, as if she's juicing up to lay a wet kiss on you the whole time she's talking. Right away I visualized them as a kind of miniature pussy, perfect little labia mounds beckoning long, hard for me to split them apart.

There didn't seem much chance of that, though. Linda was coupled up tight with my buddy Mike. About all I could do the night we doubled was watch those luscious lips in action, listening with erect attention to the soft, sexy voice that came through them and wishing to hell that Mike would leave town or turn gay or find some other way to open up the field for me.

See, not only were Linda's lovely lips a turn-on, but the rest of her had stepped out of the same wet dream. Her boobs made the Alps look like ant hills; her ass was so round and firm you'd swear somebody stuffed two balloons up her skirt; and her long legs were strictly for viewing by the over-21 crowd.

As the four of us (I can't remember the name of the chick I was with) paraded into a theater to watch some dumb-ass movie, I was so busy ogling Linda that I almost got wacked by a swinging door. Even watching her suck pieces of buttered popcorn into those luscious lips was an erotic experience. She'd pucker them until they looked just like a jellied asshole, and then slowly push

the popcorn in on the tip of her finger as if a little cock were giving her a rim job.

While we sat there in the dark I went through horny hell listening to the sounds of Mike kissing her, grunting and groaning away as Linda smothered him with those heavenly lips. I got hard just hearing it, playing with my dick while I attempted to get some of the same satisfaction from the skinny lips of my date. But I had to give up. It was like trying to make a Mercedes out of a roller skate.

Toward the end of the flick—which I'd actually started watching since I didn't have a hell of a lot else to do—Mike and Linda finally came back down to earth after going at it hot and heavy for about an hour. I couldn't figure out what got into my date at that point, but all of a sudden she grabbed hold of my dick and started giving me a masterful hand job. No making out first, no feeling or petting. Just like that—rub, rub, tip-tickle, tiptickle, splash. And the inside of my undies was coated with hot gooey cum.

"Thanks, babe," I said to her, feeling a little embarrassed after not having so much as fondled her arms through most of the show.

"You're welcome, she replied in a blank voice, like she didn't know what the fuck I was talking about.

The mystery of the groping hand was finally solved a few days later when, to my amazement, I got a midnight phone call from "Hot Lips" Linda herself. "I hope you didn't think I was being too forward the other night at the movies," she purred, making the temperature of

THE MYSTERY OF THE GROPING HAND WAS SOLVED THREE DAYS LATER.

my phone jump a few degrees in my hand.

"What do you mean?" I asked.

"You know, when I touched you down there..."

All at once the sledgehammer of truth came crashing on my psyche, making me gag and burble strange sounds into the phone. "You mean, that was you?"

"Well, it certainly wasn't Mike," she laughed, and I could picture those glistening lips spread out in a beautiful smile.

"I thought it was what's-her-name," I sputtered.

"I really don't think 'what's-her-name' knows how to appreciate such a fine cock like yours..."

Her words sent that "fine cock" leaping straight toward the ceiling. Anything Linda said sounded erotic as it came oozing from between those lascivious lips, but when she actually talked dirty, man, it was

enough to make you blow a wad! "Look, are you saying you've actually got the hots for me?" I asked in disbelief.

"Didn't you notice?" she replied. "I couldn't take my eyes off you all night. I just wanted to tear your pants off and squeeze your naked dick in my hand, and rub it and put it in my mouth."

With my phone in one hand and my stiff cock in the other, I started dancing around the apartment, jerking off like a jumping jackhammer over the verbal blowjob Linda was putting out for me through the airwaves.

"Oh, baby!" I groaned, as my jism squirted two feet into the air and landed in a puddle on the rug. "I want you too! I want those lips around my dick!"

"My lips?" she cooed quizzically.

"I never saw anything like them," I raved, still shit-eyed with the pleasure of a good jerk-off. "I'd like to crush them with my mouth, and then watch you wrap them around the head of my cock and suck it between them!"

"I've never heard of anyone having a lip fetish," breathed Linda, sounding pleased about it. "I really love the idea, since I make my living with them."

Without explaining her last remark Linda invited—actually begged me—to come over to her place the next night. For 22 hours I was in hard-on dreamland, licking my lips at the prospect of spending a night with licentious Linda's lips and fantasizing about the incredible sex acts I wanted to perform on her.

It turned out that she lived in an exclusive apartment complex in one of the ritziest sections of town. I wondered how in the hell Mike, a nice enough guy but basically a Joe Six pack type, had ever hooked up with such a hot dish. I stopped to think about the fact that I was giving my buddy a royal screwing. "Shit, that really throws a wrench," I said to myself, but I wasn't exactly listening too hard. He was just interested in fucking Linda's mouth.

She answered the door dressed to thrill, those delicious scarlet lips

accompanied only by a transparent red negligee, sheer red pantyhose with a fuck-slit at the crotch, and red satin slippers. I almost popped a load over the way she looked.

"Come on in," Linda breathed. She wriggled seductively to the couch, where two glasses of red wine were waiting for us. Overhead there was an immense pair of inflated vinyl lips, about five feet wide, staring down rather obscenely from the wall.

"You said you make your living with your lips," I mumbled, trying to turn out at least a minute or two of conversation before I got down to the serious business of mounting her.

"Actually, by not using them," she answered mysteriously.

I was about to ask what she meant, when my words froze in my throat and a wave of panic passed through my body. From another room a man's voice had suddenly called "Linda, who the fuck is out there with you?" Could it be Mike?

"Who's the—" I started to say when, from still another part of the apartment a second guy called out, "Keep your fucking hands off her, dude!"

"That does it!" I yelled, leaping from my seat and hurrying toward the door.

"Wait!" Linda giggled. From behind the couch she pulled out a poster that showed a picture of her and a stupid-looking little dummy. "Linda and Llewellyn" it read, "The World's Sexiest Ventriloquism Act!"

"You mean those voices were you?" I asked, my eyes darting around the apartment, still not believing it could be true.

"Linda thinks you've got big dick!" called the guy from the kitchen. "Hope you're good she's gonna eat it all up!" said the other male voice, while Linda sat smiling, her

YOU SAID YOU MAKE YOUR LIVING WITH YOUR LIPS?

beautiful lips barely moving.

"Damn, you scared the shit out of me!" I said, collapsing into a chair, feeling almost angry.

"Oh, come on," said Linda. "Llewellyn and I will cheer you up." Taking the pint-sized doll out of a suitcase, she placed him on her knee. "What do you think of our new friend, Llewellyn?" she asked the dummy.

"He looks like a cocky sonofabitch who wants to jam his cock up your cunt!"

"Oh, you're so jealous!" said Linda, whose magic lips hadn't moved once as the dummy "spoke" in deep masculine tones. "See, the poor little guy's a leg man," she told me, "and sitting on my leg every night gets him horny as hell. Right, Llewellyn?"

Linda kicked off a slipper and pointed the toe of her glossy red stocking high in the air. As she did a huge wooden erection suddenly came shooting out of the dummy's crotch a spring-loaded facsimile of a cock five times the size it should have been.

"Oh, baby, look at that piece of ass!" groaned the dummy. "I need a blowjob!"

Turning Llewellyn on her thigh, Linda lifted the dummy in the air and took its varnished pine shaft into her magnificent lips. While she sucked and kissed it, the doll moaned, calling her a "fucking cocksucker" and a "cum-drinking whore."

"Is that part of your act?" I asked, trying to keep my flesh and blood dick under control while I watched this strange performance.

"Um, yeah," said Linda. "We do private clubs, bachelor parties and fraternity gigs," she added. "Guys seem to get a kick out of the act."

"Lucky fucking dummy," I said in disgust.

"But I prefer the real thing," whispered Linda, pursing her lips into the sexy pout that turned me on so much as she put Llewellyn back in his case. "Come on over and sit on my knee."

"I'm no dummy," I told her representing the implication.

"You sure aren't," she said, dropping her black bustier. Okay, I'll be the figure. Let me sit upon your knee."

"What am I supposed to do?" I asked, feeling a bit like an asshole as I sat there in the nude with this full-blown chick making like a doll on my lap.

"Just ask me questions and then press my back," she replied.

"All right, tell me what you'd like me to do to you," I said, going along with her little game in hopes of getting what I as after.

"I've been so naughty, I think you should 'spank' me," she whined in a sexy little-girl voice.

"I can handle that," I replied, throwing her over my knee and giving her ass a little tap. She squirmed as I slipped a few fingers into her moistened pussy and wiggled them around. Before too long, Linda's body stiffened into an orgasm. Her screams of pleasure were coming out in her erotic voice.

Lowering her to the floor, I climbed on top of her and spread her soaked pussy with my probing dick. She was gasping, her gorgeous lips puckering, as I covered them with my mouth. "What a pair of lips you've got!" I told her, as we

began the most exciting kiss I'd ever experienced, her moist tongue embracing mine and pushing itself down my throat while her beautiful lips kept opening wider, trying to take my whole face into them.

As we ended our three-minute mouth-to-mouth, the slurping sound my fat hard-on made while driving like a piston into her wet fuck-hole kept rhythm with her hungry groans. With her slippery stockinged feet pounding on my back, I sucked her tits hard as she gasped in pleasure.

"Please let me suck your cock!" she begged, afraid it would shoot its load up her cunt before she had a chance to swallow the warm juice.

I pulled my cock out of her pussy carefully, to prevent it from shooting, and then I spun my body around so we were head-to-sex with each other. I watched in fascination from between my legs as her full red lips started reach

er throat. She wrapped her glistening lips around it while her tongue went to work on my dick-head, prodding as I filled my mouth with her other lips—the soft, moist lips of her vagina.

Damned if we didn't eat each other! My entire face was deep into her silky-smooth pussy, sucking and nibbling, licking and kissing, while more of my hot meat disappeared down her throat. As I felt her smooth lips working their way faster and harder up and down my shaft, I knew I couldn't hold out much longer. The explosion was coming and it felt like it would be my biggest ever.

Just as my tongue brought Linda to a writhing climax the dam burst wide open and a river of boiling semen started flowing down her throat, pouring out of me and into those kissing lips, where not a dribble was missed. When my cum had filled Linda's mouth and throat un-

MY CUM FILLED LINDA'S MOUTH UNTIL IT TRICKLED OUT THE SIDES.

til it was trickling out the sides, her flashing tongue licked every drop.

As the two of us sat there exhausted, Linda was still finding tiny droplets of cum that had dried on her lips; she lapped them delightedly into her mouth.

"That was better than any damned piece of wood, wasn't it?" I asked.

"It sure was," she smiled.

LENKA & YANOLINA

I was telling my bartender friend Lenka that I finally told my lover that I wanted to fuck a girl. I assured him it would not affect our love life. I found out that I really do like licking pussy and having mine licked. Lenka is a creative lover (I loved her toys) and I still am fucking my man who hasn't joined us – yet!

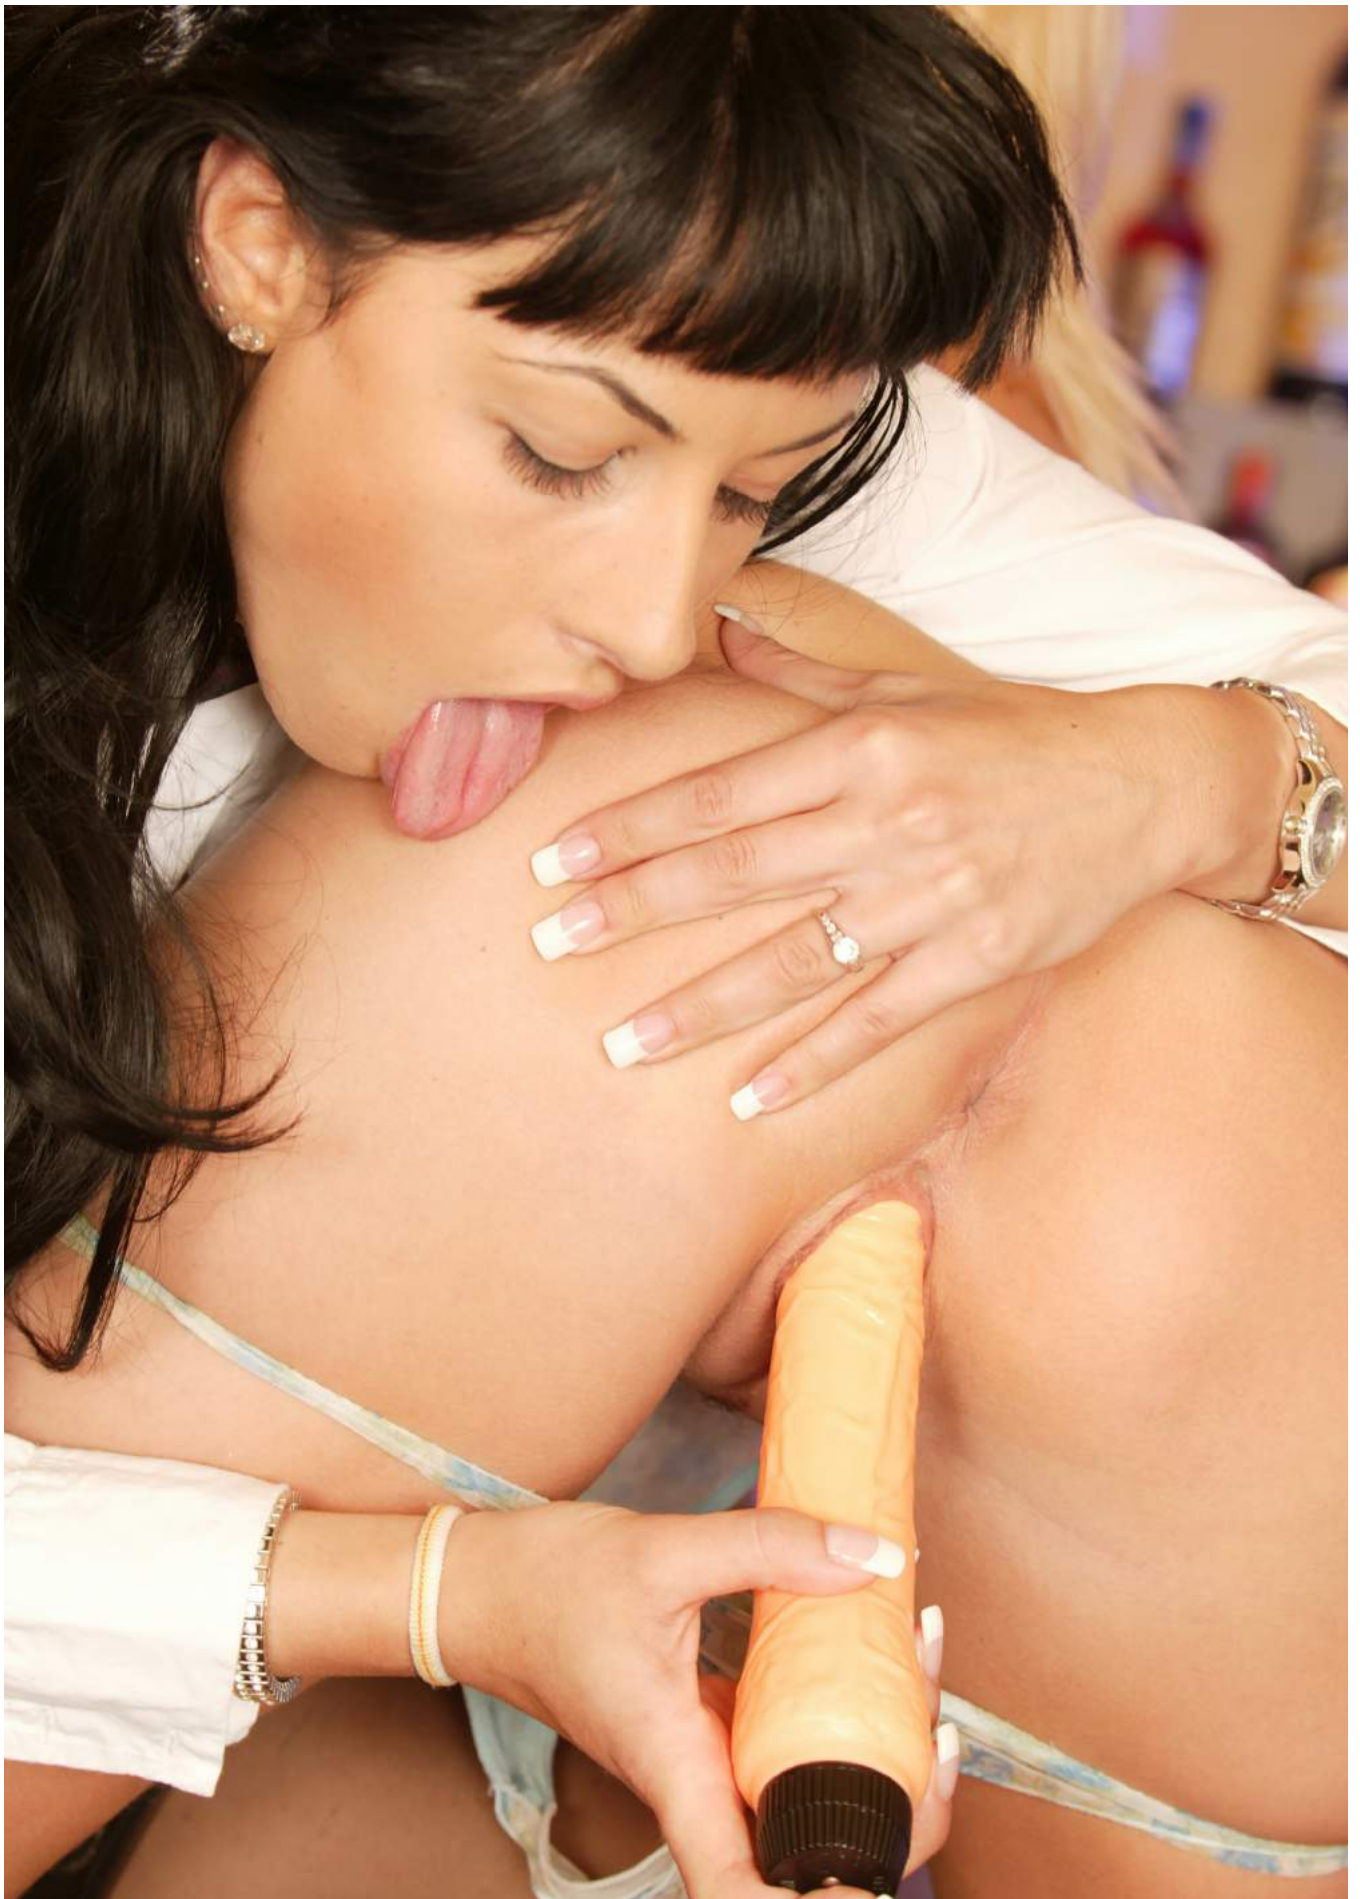

*Gotta love
what is being
served up!*
